## TWO MAIDS AND NURSE

Are In Constant Attendance on the Cleveland Woman

Who Has Set the World Agog

By Her Ability to Borrow Money. Worry Over Her Liabilities of Nearly a Million Dollars Has Made Her Seriously Ill. Settlement Is Probable.

CLEVELAND, O., NOV. 30.—MRS. CHADWICK WIRED THE EVENING NEWS AND HERALD OF THIS CITY, AS FOLLOWS; FROM NEW YORK TODAY:

"PLEASE DENY REPORTED SUICIDE AND FURTHER SAY I HAVE NO INTENTION OF COMMITTING ANY SUCH ACT."

(Signed) C. N. CHADWICK."

New York, Nov. 30.—Mrs. Cassie L. Chadwick, the Cleveland woman who has been made the defendant in a series of sensational suits for the recovery of large sums of money said to have been loaned her by individuals and banks is seriously ill at the Holland House. Two maids and a nurse are in constant attendance and a physician is always in call.

While the greatest secrecy is maintained at the hotel and her presence is not admitted, it is stated Mrs. Chadwick is on the verge of a nervous breakdown as a result of the publicity which has followed the suit to recover nearly \$200,000 which was brought by Herbert Newton, of Brooklyn, Mass. Up to yesterday, while it was believed that Mrs. Chadwick was still at the Holland House where she registered last week, there was no certainty that she had not left the city. At the hotel it was said she left there several days ago and that her whereabouts was not known. Last night, however, when a report reached the police that Mrs. Chadwick had committed suicide, a prompt investigation disproved the suicide report but established beyond the question that she was still at the hotel.

A meeting of attorneys representing the claimants and attorneys representing Mrs. Chadwick was scheduled to be held in this city today or this evening. It was understood that the meeting had been arranged in the hope of effecting a settlement of the many claims for large sums of money filed against her by banks and individuals.

Where this meeting will be held has not been made public, but it will probably be in the Holland House or near there, where reports can be made to Mrs. Chadwick. It is not known whether Mrs. Chadwick will attend the meeting in person.

### PROMISED

College Donation and Secured a Large Loan.

Oberlin, Ohio, Nov. 30.—It is stated that Mrs. Cassie L. Chadwick several months ago secured a loan of \$75,000 from Oberlin College. The loan was paid off, however, early last spring. According to common report the loan was made by the college to Mrs. Chadwick with the agreement that the latter was to pay six per cent interest and in addition to donate \$5,000 in cash to the college endowment fund.

The college authorities according to report became uneasy about the loan and Mrs. Chadwick's note was taken up and the money returned by Mr. Beckwith of the closed Citizen's National bank.

### Not Advised of Meeting.

Boston, Nov. 30.—Percy W. Carver, counsel for Herbert D. Newton, said today that he had not been notified of a meeting of counsel for creditors of Mrs. Cassie Chadwick, arranged for today at New York City. He added that as leading attorney for Mr. Newton, he probably would have received some notification if such a meeting were to be held.

Mrs. Chadwick today called up by telephone Lawyer Carver's office in this city from the Holland House, New York, and spent some time in conversation with E. T. McKnight, one of Mr. Carver's associates. Mrs. Chadwick asked several questions relating to the suit, desiring to know particularly whether Mr. Carver intended to go to Cleveland for tomorrow's hearing in court. Mr. Carver is in communication with associates in Cleveland but has not yet been advised whether his presence will be necessary tomorrow.

### MRS. CHADWICK

Says That Carnegie Is Not Mixed In Her Affairs.

New York, Nov. 30.—Phillip Carpenter, one of Mrs. Chadwick's attorneys, gave out the following statement today:

"Mrs. Chadwick states that Mr. Carnegie has never had any connection with her affairs. The statements that have appeared in the press to the contrary are untrue. She is too ill to make any general statement at this time."

He said there would be a conference at the Holland House this afternoon in Mrs. Chadwick's interest, but declined to say who would appear at the conference or at what time it would take place.

### INDEBTEDNESS

Will Not Exceed One Million Says New York Attorney.

New York, Nov. 30.—George Ryall, counsel for Herbert D. Newton, of Boston, who has brought suits against Mrs. Chadwick said today:

"I do not think from the several conferences I have had with Mrs. Chadwick that her total indebtedness will exceed \$1,000,000."

"This sum includes the claim for a large amount that Mrs. Chadwick says is illegal and is in the line of blackmail. In several interviews she has intimated to me that she is being blackmailed, although she never mentioned any names. I understand, however, that if this one claim is thrown out, the debts would not amount to much more than \$800,000."

### DURING

Conference With Mrs. Chadwick, She States She Will Settle.

New York, Nov. 30.—G. B. Gaggott, of the law firm of Gaggott and Ryall, counsel for Herbert Newton, in this city, said today:

"My partner, George Ryall, has had a conference today with Mrs. Chadwick and he gives me to understand that as a result of the conference she will settle the case against her and meet all claims out of court."

"Arthur A. Sterns, of Cleveland, who represents Newton in Cleveland, is in town and with Mr. Ryall they will have another conference with Mrs. Chadwick before the day is out, at which it is expected that a working agreement for a settlement will be decided."

Edward W. Powers, of counsel for Mrs. Chadwick, said today that many of the claims against Mrs. Chadwick will never be recognized in a legal court.

"Just how many claims there are I do not know," said Mr. Powers.

"Will the claims aggregate one million dollars?" was asked.

Mr. Powers paused for a considerable time before replying and then said: "Approximately you can put it at that sum. For all I know there may be claims for twenty million dollars against her, but all legal claims will be met as she is an honest woman."

"How about the intimation that some people are trying to blackmail Mrs. Chadwick?" was asked.

"As far as I know, there is nothing in the blackmailing line, but there are some people who are presenting claims against Mrs. Chadwick who have no legal right to do so."

Mr. Powers said he was not ready to give out a list of the creditors or to reveal their names. He said that he was not in a position to state whether any one had endorsed notes or collateral for Mrs. Chadwick.

"It was the greatest kind of an outrage to intimate that there was any connection between Mrs. Chadwick and Madame De Vere. Nobody now believes it," said Mr. Powers.

## INVENTOR EDISON IS

Asked to Come Into Court and Tell About Disposition of Talking Machine Profits.

Trenton, N. J., Nov. 30.—The International Graphophone Company instituted suit in the court of chancery asking for the appointment of a receiver for the Edison Phonograph Works of Orange, N. J., and also asking that Thomas A. Edison, John F. Randolph, Wm. E. Gilmore, the Edison Phonograph and the National Phonograph Company make discovery of the assets and profits of the Edison Phonograph Works alleged in the bill to be wrongfully diverted to the National Phonograph Company and to the Edison Manufacturing Company. Insolvency is not alleged. It is also asked that the defendants make a statement of profits or money that has been diverted from the Edison Phonograph Works by Edison, Randolph, Gilmore, The Edison Manufacturing Company, the National Phonograph Company or any of them.

The International Graphophone Company owns 1440 shares of the Edison Phonograph works and the bill charges that this company and Edison in 1896 agreed to form the Edison United Phonograph Company, which was to have close business relations with the Edison Phonograph Works and to handle phonographs made by the latter company. It is further charged that in 1896 the National Phonograph Company was formed by Edison and others and that this latter company furnished phonographs to the exclusion and to the financial detriment of the International Company.

By Explosion of Can of Blasting Powder One Was Killed, Five Injured.

Sharon, Pa., Nov. 30.—By the explosion of a can of blasting powder near here today, one man was killed outright and five others were badly injured, two of whom may die. In some unaccountable manner a spark dropped into the can, causing the explosion.

## RECEIVER

Applied For to Take Over Oil Property.

Bank Brings Suit on Two Unpaid Notes.

And Names the Middlekauff Oil Co. as Defendant. A Number of Separate Interests Are Tied Up.

The Ohio National bank as plaintiff and a string of defendants longer than the moral law is the caption of another petition which looks to the naming of a receiver for an alleged neglected oil property. The defendants appear as E. E. Cline, Geo. J. Neher, A. J. Motion, Eh. Longabaugh and E. Middlekauff, The Middlekauff Oil Co., The Cunningham Drilling Co., Leman B. Teradwell, trustee of the New Jersey T. & L. Oil Co., The Hercules Torpedo Co., and the Buckeye Pipe Line Co.

It requires several type written pages to give in legal verbiage the cause of action, but in plain English the bank has possession of two notes originally given to the Cunningham Drilling Co. for which they ask judgment, the amounts being \$179.50 and \$802.78. It is asked that whatever claims exist be set up, and that the property, which was recently sold to Leman B. Teradwell, as trustee, subject to several large claims, be placed in the hands of a receiver.

Laura Gets a Transfer.

Laura White, opposite her name in color, and big and husky enough to be a match for any one member of the police force, was led lamb-like to the county jail last night by Officer Dan Kelly, the light-weight of the force. Laura will either have to dig up \$100 for security or occupy a cold damp cell until the January grand jury gets action.

## DWELLS

On What He Regards As the

Most Urgent

Demands of the Coast Defences.

Millions Spent by Congress For Armament Useless Unless Manned.

Chief of Artillery Urges Immediate Completion of Torpedo Defences of All Fortified Ports to Provide Protection.

Washington, Nov. 30.—Brig. Gen. Story, chief of artillery, U. S. A., in his annual report to General Chaffee, the chief of staff, dwells upon what he regards as the most urgent demands of the coast defenses. He says that the best and most economical use of the entire armament for the coast requires one complete set of man which is the very element of defense and adds:

"It is inconceivable that congress, after appropriating millions for national defense would be willing, if its attention were drawn to the fact, to leave this defense ineffective for want of a proper organization to man and conduct it."

He says that if torpedo defenses co-operated with a proper armament at Port Arthur it is not probable that any enemy, however enterprising, would attempt to force their lines of defense.

"To secure at the present time," he continues, "the greatest measure of national safety at the least cost, the entire torpedo defense of our harbors should at once be made complete."

And he adds: "It would be criminal neglect if I did not urge, as earnestly as I can, the immediate completion of the torpedo defense of all our fortified ports. Today this defense is lamentable deficient both in material and personnel."

Continuing, General Story says: "If we were suddenly confronted by war, no amount of money could procure submarine mines in time to be of service for our harbor defense. The materials for such defense are made only to fill orders and their delivery would occupy many months, and only such as might be on hand could be utilized for an early attack."

### FURNITURE FIRE.

Utica, N. Y., Nov. 30.—The stock and building of the Coventry and Evans Furniture Co., in this city, was damaged to the extent of \$68,000 by fire today.

## INDICTMENTS FOR LEITER.

Three Returned Against Him for Bringing Armed Men Into the State of Illinois.

St. Louis Mo., Nov. 30.—A special to the Post-Dispatch from Duquoin, Ill., says that it became known there today that three weeks ago Joseph Leiter was indicted on three counts on the charge of bringing armed men into the state, contrary to the recently passed statute. No attempt has been made to serve the capias or to arrest Leiter, because State Attorney Scott, who will retire tomorrow, wishes to leave the case over for his successor.

## TROUBLE IS ANTICIPATED.

Texas Father Angered at Daughter's Choice, Almost Wipes Out Her Husband's Family.

Ft. Worth, Texas, Nov. 30.—Two men have been shot and killed and another seriously wounded by J. M. Williams, a farmer, near the town of Alvarado. Stephen McKinney, a young farmer who had been paying attention to the step-daughter of Williams, failing to win his consent to marry, ran away with the girl and married her. McKinney and his brother returned home and the bridegroom went to work on the farm. Williams went to the town of Alvarado and bought a rifle. Then riding out to the field where the bridegroom, his father and brother were at work the enraged man, without a word, opened fire. The elder McKinney rushed to the rescue of his boy and was himself shot dead. The brother, too, was seriously wounded. Officers have started to arrest Williams and trouble is anticipated.

After his departure a check for \$110, which he had cashed, came back to a local bank marked forgery. Langenbaugh admits having forged the check, but says that he was drinking heavily at the time and was irresponsible. There will be no prosecution.

Sentenced For Life For Threatening to Shoot Restaurant Keeper While Robbing Him.

Chicago, Nov. 30.—Orrin Cox, eighteen years old, son of respectable parents in Kensington, a suburb, has been sentenced to life imprisonment in Judge Chaffin's court on a charge of robbery. The severe penalty was inflicted because, when committing the crime, he was armed with a loaded revolver. The crime for which he was convicted was committed on September 18. Cox and two companions entered a Chicago restaurant. Revolvers were displayed and the customers robbed under threats of death. The youthful criminals secured \$110 and made their escape, but Cox was arrested soon afterwards.

She arose to investigate only to look into the muzzle of a revolver in the hands of a negro burglar. "Scream and I'll kill you," he said. Miss Block went back to the piano, sat down and played "Carmelita." When the air was finished, she looked about and was alone. Then she screamed. The burglar escaped.

Mrs. Millington claims to have married him in the belief, and upon the representation, that he was a missionary just returned from India. She charges immorality and neglect.

## EMPEROR FORMALLY

Performed Ceremony of Opening the Imperial Diet Today.

Position of the Two Armies

Is Practically Unchanged. Reported Today That Japanese Assaulted, Carried and Retained the Southeastern Portion of Metre Hill.

He rode through the crowded streets in a state coach escorted by a troop of lancers, and accompanied by the crown prince, his staff and some members of the imperial household, to the house of parliament where both houses were assembled in the chamber of representatives. The diplomatic corps and many prominent government officials were present. The emperor ascended the dais from which he read the following address:

"I hereby perform the ceremony of opening imperial diet and announce to the members of the house of peers and house of representatives, that to our profound delight our relations with all neutral powers are continually growing more amicable."

"We have directed our ministers of state to submit to you a scheme for meeting the extraordinary expenditures necessitated by the war, together with the budget for the thirty-eighth year of Meiji, besides other projects."

"That our expeditionary forces have been victorious in every battle and have repeatedly shown fresh proof of their loyalty and bravery, as that the progress of the war is increasingly in our advantage."

## DOWLING CASE PROVES FARCE.

Columbus, Nov. 30.—In the morning session of the state board of charities hearing of the charge against Capt. P. P. Dowling, trustee of the Ohio Soldiers and Sailors Orphans home not being particularly damaging was developed. Dr. C. Huston, of Urbana, former member of the board of trustees, said that on the occasion of Margaret Armstrong's visit to the institution in 1899, when the girl was an applicant for a place as assistant matron, he had met her in Capt. Dowling's room where he had been called by a message from Dowling. She was dressed at the time, Houston, said, in lavender silk and wore a diamond brooch. He knew nothing of Dowling's morals and at the time had thought nothing of the incident. Miss Armstrong was Capt. Dowling's guest at the institution at the time, having been a former inmate at the home. Other witnesses merely testified to the interest Dowling had shown in the three girls in question, Margaret and Sarah Armstrong and Lulu Johnson.

Nothing was brought out to show that Dowling had shown them improper attentions.

## REV. HUNTON

Happily Visited by Members of His Flock.

Yesterday, about 30 members of Zion's Lutheran church near Lafayette, spent the day at the home of their pastor, Rev. and Mrs. J. H. Hunton, of west Spring street. During the forenoon, the guests arrived, each bringing a generous donation for their pastor and his family.

The women proceeded to the kitchen with well filled baskets and began to prepare dinner, while the men headed by Mr. R. F. Truitt took charge of Rev. Hunton, took him down town and purchased him an elegant winter overcoat, and having a neat balance over, they presented the Rev. the money. Returning to the pastor's hospitable home, all partook of a bountiful dinner, after which the

here today. They say the fighting at Port Arthur continues. They heard firing November 29th while at sea. The Chinese assisted in carrying the Japanese wounded from the trains to the hospitals and counted a thousand. The Japanese, they add, seemed depressed.

General Oku's headquarters via. Usan, Tuesday, Nov. 29.—(Delayed transmission)—The position of the two armies is practically unchanged. There has been no fighting save out-post scouting, skirmishes and occasional Russian bombardments which are usually unanswered. Neither side shows indications of moving. The Japanese are not affected by the increasing cold weather.

Tokio, Nov. 30.—It is reported that the Japanese today assaulted, carried and retained the southeastern portion of 203-meter hill.

St. Petersburg, Nov. 30.—General Kuropatkin under date of November 29th, reports that the Japanese force which evacuated Tsinkhetchen (near Ja Pass) took up a fresh position near the village of Suidun, about 7 1/2 miles southeast of that place. They carried off many wounded. The Russians on the morning of November 29, resumed the offensive, advancing in the direction of Suidun. Within 1 1/2 miles they encountered Japanese artillery fire. By mid-day the Russian artillery opened and under cover of its fire, the Russian infantry resumed the advance. Elsewhere all is quiet.

party gathered in the parlors for the after dinner speeches.

Rev. Hunton, with his accustomed courtesy and kindness, thanked the dear friends who had so generously remembered him and Mrs. Hunton, and introduced Rev. P. P. Bossart, who spoke in glowing terms of the generosity and kindness of heart which caused the friends to stock his house and cellar with useful articles for winter's need, and assured them that it is such acts of kindness that cheers the busy pastor's heart and causes him to linger with loving remembrances on these reunions long after the friends have departed to their homes.

Few men are so highly favored as Rev. Hunton, who though past three score and ten years, still serves two important congregations—Trinity church of Elida, and Zion's church near Lafayette, whose people rejoice in the pastoral care of a faithful, Godly man and enjoy the preaching of an able and eloquent minister. Trinity congregation of Elida, made their pastor a donation last week. His parishioners yesterday after bestowing their bounty bade their pastor and his estimable wife an affectionate good bye and returned to their homes filled with pleasant memories.

Secretary Fredericks Ex-  
plains the Situation as  
it Really Exists.

Economy Is Necessary, But the  
New West Well Is Relieving  
the Situation and There  
Is No Danger.

"All we ask is that the citizens be  
economical in the use of water," re-  
marked Secretary Fredericks during a  
discussion of the subject last night,  
but all this scare-headline on the  
subject is uncalculated. No such report was  
ever given out from the office and we  
have only lost a quarter of an inch  
in depth since last Friday.

The new twelve inch well on the  
Fitzgerald farm, two miles west of  
Lima, was completed on Saturday and  
is supplying the city with 500,000 gal-  
ons of water every twenty-four hours.

"It is waste of water we object to  
and I can cite you to an instance  
which came to our notice yesterday  
a lady, who knows and appreciates  
the necessity of being careful while  
the present growth exists, called the  
attention of the office to a violation of  
one of the iron clad rules, and we  
made an investigation. What we  
found was a citizen of Lima watering  
his lawn in his back yard at 10 o'clock  
in the morning—a month after the  
sprinkling season had closed. He was  
building a new house and was going  
to have his sod grow whether there  
was any water left to drink or not.  
I ordered the water turned off and he  
has not yet appeared to explain or  
condemn our action."

"Someone sent an exaggerated re-  
port of the condition to the outside  
newspapers, and I have had two tele-  
grams from railroad headquarters ask-  
ing how soon they were likely to be  
asked to discontinue taking water at  
Lima. I replied that there was no im-  
mediate danger, and if the consumers  
only use a little judgment the water  
works will manage to worry along un-  
til relief comes."

But you are protected by the portrait and signature of Dr. A. W.  
Chase, the famous receipt book author, which are on every box.

It is easy to imitate.  
Little brain power and little energy are required.  
Small capital invested in imitations sometimes brings large re-  
turns—for a time.  
But no real success, no reputable business was ever built on imi-  
tation.

In medicine as in every sphere of human action, it is character  
that tells.

There is a preparation which has proven wonderfully successful  
in the cure of nervous diseases and which is known as Dr. A. W.  
Chase's Nerve Pills.

The same medicine under any other name would be just as effec-  
tive in the cure of disease but because of its great merit Dr. A. W.  
Chase gave it his name and large capital and energy have been ex-  
pended in making it known to the public as Dr. A. W. Chase's Nerve  
Pills.

Imitators have seen their chance to make money on the reputation  
of Dr. A. W. Chase and now seek to reap where they have not sown  
by imitating Dr. A. W. Chase's Nerve Pills.

They cannot possibly give you the same preparation, but try to  
deceive you by the name. Fortunately they dare not reproduce the  
portrait and signature of Dr. A. W. Chase and these are put on every  
box of the genuine, to protect you against imitations.

There could be no stronger guarantee for any medicine.

Possessed of unusual skill and ability, having had long and varied  
experience as a physician and being a man of sterling character and in-  
tegrity, Dr. A. W. Chase has everywhere won admiration and es-  
teem both as author and physician.

Dr. A. W. Chase's Receipt Book is used and depended on by over  
a million homes.

Dr. A. W. Chase's Nerve Pills have an established reputation as  
the most successful nerve restorer and blood builder that science has  
ever been able to discover.

You can depend absolutely on the product of this great physi-  
cian's brain, but cannot afford to let imitators deceive you with a  
name.

### NERVOUS EXHAUSTION.

Mrs. Wm. Spencer, of No. 105 Granger Street,  
Syracuse, N. Y., says:—"I was always nervous  
but of late years I could not sleep, was intense-  
ly nervous, ringing sounds in the ears and  
sharp noises in my head at night. My strength  
was away down and I was so dizzy that at  
times I had to catch hold of something until  
it passed off. This condition certainly needed at-  
tention as it was growing steadily worse. Dr.  
A. W. Chase's Nerve Pills were called to my  
attention and I got a box. The results were  
splendid—the nerves became quiet, the noises  
and ringing in the head, together with the diz-  
ziness, disappeared completely and I began to  
sleep well again. The general strength came  
back and, as a result, I feel well in every way  
again, and am only too pleased to be able to  
say so."

### YOUNG WIFEHOOD

Revere, Mass., 112 Shawmut Ave., Oct. 25, 1902.  
After I had been married about four months I felt my health generally declining. I seemed to lose the light step and dragged heavily along instead. My appetite failed me and I lost health and strength. I was nervous and had shooting pains through my limbs and stomach while bearing down pains and constant headaches added to my misery. The menstrual flow became more and more profuse and I was not able to attend to my daily duties. My husband called it a nervous disorder and I took enough medicine to kill or cure a dozen women, but it all had no effect on me whatever, until I took a bottle of Wine of Cardui. In a few days I felt a change for the better, my general health improved and at the end of a month my flow was more normal and I was in perfect health. I gradually recovered my health and strength and am now in perfect health. I take an occasional dose of Wine of Cardui which keeps me well.  
I am happy to give you this endorsement. *Betty Rucker*  
President, Back Bay Women's Club.

Why don't you try for the same health Mrs. Rucker has? It is easy to secure if you take Wine of Cardui according to directions. Wine of Cardui strengthens, invigorates and warms up women of any age and assists the mother and her child to bear her exacting duties. Wine of Cardui makes women fit for all the duties of womanhood.

It will relieve the pains of irregularity, cures falling of the womb, leucorrhoea, ovarian troubles, and has been known to remove what physicians considered dangerous tumors. Women who use Wine of Cardui do not suffer at the monthly periods. They do not suffer hysterical attacks, become Wine of Cardui gives them strong nerves freed from the irritation of female suffering.

A \$1.00 bottle of Wine of Cardui purchased from your druggist will keep you free from pain.

The fight as to whom shall fall  
the honor of leading the republican  
municipal ticket next fall is waxing  
warm. Albert Gale and Wm. McComb  
are the principal contestants for the  
honor, and there is every indication  
that it will be a mud slinging cam-

## A HORRIBLE EXAMPLE.

Here is another powerful illustra-  
tion of the hardships worked upon the  
nigger by the present high protective  
tariff.

Charles E. French, a Boston mil-  
linerie, was found dead in the gar-  
ret of his home, and the coroner re-  
ndered a verdict that death was due  
to monomania, superinduced by the  
meagre amount of food the deceased  
was able to buy each day for twenty-  
one cents, that being the sum he al-  
lowed himself for daily sustenance.

Had there been a tariff for raw wool  
only, on the food he consumed, in-  
stead of a Dingley tariff of 47 per  
cent, this millionaire could have pur-  
chased almost twice the food he did  
for his abominable, and doubtless  
breath would still be in his body.

It is proper, however, to note that  
French made his money by saving.

Had he been situated in a business  
financially blessed with a high protec-  
tive tariff, there is no question but  
that he would have been a multi-  
millionaire, and that death

Girl Escapes From  
Chaperon

## And Is Wedded

To a Piano Salesman in  
San Francisco.Miss May Cronley the Bride  
of E. Reed Bertolet of  
Philadelphia.Aunt With Whom She Was Stop-  
ping Objected to Her Wedding  
But She Escaped and  
Met Bertolet.

A dispatch from San Francisco,  
dated last night, says:

"There is a spice of romance about  
the marriage last night by James Dunn  
of E. Reed Bertolet and Miss May  
Cronley.

"Bertolet thought that the girl's  
aunt, Mrs. E. C. Wooster, was keep-  
ing his sweetheart a prisoner in order  
to thwart him and he spent the after-  
noon seeking legal aid. But Mrs.  
Wooster had only taken away Miss  
Cronley's hat because her niece in-  
sisted on going down town alone and  
Mrs. Wooster wished to act as her  
chaperone. Mrs. Wooster did not know  
that it was the intention of her niece  
to become a wife within a few hours.

"While the aunt was away for a  
moment the girl escaped and went to  
Bertolet's hotel. She met him as he  
came back with the marriage license.  
They had known each other only four  
days and it was mainly because of  
this 'shot acquaintance' that the aunt  
objected to the wedding. Bertolet is  
a piano salesman from Philadelphia  
and his bride is from Lima, Ohio,  
where her father is a horse breeder  
and owns a string of race horses. The  
young couple met last Friday morning  
for the first time. The bride is only  
19 years of age."

The name of the bride referred to  
in the above dispatch is that of the  
daughter of ex-county surveyor John  
C. Cronley, of this city. Mr. Cronley  
being out of the city today could not  
be seen in reference to his daughter's  
reported marriage.

few short weeks ago the responsibility  
he had assumed with the public  
he strove to attain the highest ideals  
of perfection and how well he suc-  
ceeded is recognized by all who knew  
him personally or by reputation.

In 1892 the deceased was united in  
marriage to Miss Mary Spallary, of  
Conneautville, Pa., a lady whom by  
reason of her station and accomplish-  
ments made the union a most happy  
one. To them six children have been  
born, four of whom, with the wife,  
survive the husband and father. The  
private life of Judge Mooney was of  
the same high character as his public  
career and he always maintained an  
exalted respect for all that was pure  
and noble in his fellowmen. He was a  
man of strong convictions and no less  
so in any direction than towards his  
moral and religious principles. A  
faithful and devout member of the  
Catholic church he lived the life of  
a Christian, never failing in his own  
religious duties and entertaining al-  
ways the highest respect for the re-  
ligion of others. He was true to him-  
self and true to his friends and loved  
ones and having lived a life of which  
he had no fear, he was prepared to  
face death in the same manner. So-  
cially he was a member of the Knights  
of Columbus and the Order of Elks,  
having his membership in both or-  
ganizations at Lima.

The funeral will occur Friday morn-  
ing at 9 o'clock at the Catholic church.

## BID

Of F. E. Harman  
Accepted

By the Board

Over Those of Several  
Outside Firms.

An Elegant Article of Furni-  
ture Chosen to Seat Re-  
ception Rooms.

Other Contracts Let and Everything  
Is Now Provided For Comple-  
tion of the New High  
School.

But for the fact that the committee needed considerable time in arriving at a conclusion concerning the bids on school furniture, the board could have completed all the business at hand in a few moments; but as it was, a ten o'clock session was necessary last night to buy the equipment for the new high school building. It was good time spent, however, as the furniture is now all provided for and within the next two or three weeks will be shipped for placing.

There was a good deal of satisfaction among members of the board when the committee reported on the separate items, and it was found that F. E. Harman's bid on recitation room chairs had been accepted. It went to show also that Lima is in a position not infrequently to compete with manufacturing concerns that rely on their agents or a combination of interests to pocket rich profits. Mr.

Harman's bid was the lowest of those presented, considering that it was necessary to have a sample on exhibition. The selection also is one that does credit to the handsome building in which the chairs will be placed. It is a highly polished quarter-oak, tablet arm chair, with solid seat, and is an elegant piece of furniture manufactured by the J. S. Ford-Johnson Co., of Chicago. The contract calls for 250 chairs, and Mr. Harman's bid was \$20 a dozen, a prize which leaves him but a small margin of profit, but the satisfaction of having furnished the high school with an article that will add to the richness of the interior.

The other bids reported by the committee give contracts for the furnishing of splendid desks for the class rooms and comfortable chairs for the auditorium. The American School Furniture Co., of Piqua, will furnish fourteen oak desks for the teachers at \$12 each and the desks in the class rooms, the larger size at \$2.00 each and the smaller at \$1.50. The committee ordered 200 with the understanding that more would be furnished at the same price, if needed.

The Grand Rapids Furniture Co. had a number of samples of opera chairs on exhibition at the Lima House, and in accepting a bid for the necessary 772 chairs needed to seat the auditorium, the committee made a decided bargain. The company's agent listed a neat, comfortable chair as a special inducement, at \$1.50 each, and the committee reported unanimously in favor of allowing the contract.

Mr. Metheany raised the question as to whether the seating of the auditorium could be included in the solicitor's decision that the board could make contracts for anything that was an "urgent necessity." Reference to his ruling decided that the contract could be so included and the bid was accepted.

The approaches were also given final consideration. Mr. Donahue moved a reconsideration of the motion made at the last meeting calling for temporary walks, and a vote was again taken on the substitute which was lost. Mr. Klatte then moved that the bid of the Lima Cut Stone Co., for the laying of the stone approaches, the full width of the entrances at a cost of \$3770, be accepted.

Thus has the board paved the way to a completion of the new high school, inside and out, and there is nothing in the way of the contractors who are hustling to have the handsome structure ready for occupancy at the time specified, January 1.

Dr. Bates had the only matter to

present outside of high school propositions. On his motion the bid of John McVey on the work needed to put the Pine street building's closets in condition was accepted. An entire new system will be installed at a cost of \$598.

Builds up muscular flesh, healthy tissue. Rich red blood, clears the stomach, kidneys, and liver. That's what Hollister's Rocky Mountain Tea will do. 35c, tea or tablets. H. P. Vorkamp.

## SAW

Was Used by Rolla  
Shaffer

In An Attempt

To Escape From Lake-  
view Calaboose.

Was About to Gain Liberty  
When Sergeant Arm-  
strong Arrived.

Had Made the Marshal and Other  
Citizens of the "Pond Town"  
Believe He Was a Desperate  
Character.

Sergeant of police Armstrong returned from Lakeview last night bringing with him the prisoner Rolla Shaffer, the South Side young man wanted here on a charge of indecent exposure. When the sergeant arrived at Lakeview he found the marshal of the village and some of the citizens in deadly fear of Shaffer, who had been locked up in the "hoop-pole" calaboose, after having been apprehended at a boarding house. The marshal of the village told Armstrong that Shaffer secured a saw somewhere and that he believed him to be a dangerous character. The Lima officer entered the "jug," a wooden cell on the interior of a small frame structure, but found no prisoner there, Shaffer having saved his way out of the "cell." He was found by the officer, however, as he was in the act of crowding his body through an opening he had made in the outer wall of the calaboose.

Shaffer had changed his clothes at the boarding house where he was apprehended and had the proprietress so badly frightened that she at first, refused to tell where he had hidden the suit which he wore when he arrived there. She finally turned the clothes over to the officer however, and the prisoner then confessed that he was the man who was wanted. He accompanied Sergeant Armstrong to this city without further resistance.

Shaffer is still a prisoner at the police station here and has not yet been arraigned before the mayor.

## Bloodhounds Used.

Last evening two bloodhounds from the Woodward kennels at Dayton, were taken to a point four miles east of Beavertown where a barn on the Jacob Huber farm had been robbed, the previous night, \$40 worth of carpenter's tools belonging to Felt Bros., contractors, being stolen. The custodian of the dogs was accompanied by Chief Mills and Detective F. C. Whitley of this city. The dogs took a trail at a tool chest that had been robbed and followed it across fields to the home of a pumper, who was to have been arrested by a constable from Beavertown today.

Howard Stanley, Oscar Huff and Walter South, three boys charged with stealing cabbage from the Mauk grocery on east Kilby street, pleaded not guilty in mayor's court today and will be given a hearing Saturday.

The Ladies' Aid Society of the U. B. church will sew Thursday at the home of Mrs. Cora Miller, 232 Harrison avenue.

## CHRONIC SORES

Wheeling, W. Va., May 28, 1903. Some years ago while at work, I fell over a truck and severely injured both of my shins. My blood became poisoned as a result, and the doctor told me I would have running sores for life, and that if they were healed up the result would be fatal. Under this discouraging report I left off their treatment and resorted to the use of S. S. S. Its effects were prompt and gratifying. It took only a short while for the medicine to entirely cure up the sores, and I am not dead as the doctors intimated, nor have the sores ever broke out again. Some 12 years have elapsed since what I have described occurred. Having been so signally benefited by its use I can heartily recommend it as the one great blood purifier.

JOHN W. FUNDIS.

Care Schmulback Brewing Co.

Chronic sores start often from a pimple, scratch, bruise or boil, and while salves, washes and powders are beneficial, the unhealthy matter in the blood must be driven out or the sore will continue to eat and spread. S. S. S. reaches these old sores through the blood, removes all impurities and poisons, builds up the entire system and strengthens the circulation. S. S. S. is a blood purifier and tonic combined. Contains no mineral whatever but is guaranteed purely vegetable. If you have an old sore write up and our physicians will advise without charge. Book on diseases of the blood free.

Bankers Believe Mrs. Chadwick Will  
Make all Good.

Cleveland, Nov. 30.—While there were no sensational developments in connection with the Chadwick case here today, it continued to be the all absorbing topic of conversation.

There are many bankers and business men in the city having had extensive dealings with Mrs. Chadwick who express the strong belief that she will make good all the claims against her.

A prominent business man desires that his name be not used in connection with the case, declared that he had seen the bonds and other securities in the possession of Mrs. Chadwick to the value of not less than \$1,000,000.

It develops that Mrs. Chadwick has been most liberal in her gifts to charitable institutions, many of them having received large sums from her.

As a result of the notice issued by the officials of the Wade Park Banking company in which they declared their purpose to take advantage of the sixty day law covering deposits there was no run on that institution as a result of the connection of the bank with the Chadwick affair. The conservative bankers declare the Wade Park Banking Company to be in first class shape and fully able to take care of all obligations.

## PRESIDENT

Of Oberlin College Tells of U. S. Steel  
Stocks.

Oberlin, Ohio, Nov. 30.—President

Henry C. King, of Oberlin college, referring today to the report that Mrs. Cassie L. Chadwick had secured a loan from the college last winter amounting to \$75,000, said:

"Mrs. Chadwick does not owe the college a cent on the loan in question. It is true that we did make her a loan but it was later taken up by President Beckwith of the Citizens National Bank. We loaned money to Mrs. Chadwick upon representations made by secretary and treasurer Ira Reynolds, of the Wade Park Banking company at Cleveland, to the effect that Mrs. Chadwick had deposited with that institution, United States steel corporation stock which in value, amounted to several times over the amount of the loan in question.

"We made the loan on the assurances from Mr. Reynolds that security was gilt edged and absolutely safe. The loan together with the interest was paid when the note became due.

"Some time ago Mrs. Chadwick through President Beckwith of the Citizens National Bank of Oberlin, voluntarily subscribed \$5,000 to the endowment fund of Oberlin college and gave us her note for that sum, payable January 1 next. In view of recent developments, however, it is probable that the college will not receive this money."

After having suffered intense agonies since early Saturday morning from burns sustained as a result of her clothing having caught fire, while standing too near a stove, little Ethel Gilson passed away at the city hospital about 5 o'clock last evening.

Yesterday morning the child was thought to be improved some, but during the afternoon a change for the worse was noted, with the above result.

The victim was the daughter of Mr. and Mrs. James K. Gilson, of 329 south Jackson street, and was a little past 11 years old.

Funeral services will be held at the residence tomorrow afternoon at 2 o'clock, Rev. Land officiating. Interment will be made in Woodlawn cemetery.

## Was Really a Treat.

The benefit entertainment at the south Lima Baptist church last evening was fairly well patronized and the audience showed their appreciation of the talent displayed by each performer in a most enthusiastic manner.

On the program were Mrs. Ebersole and Mrs. Longworth, as vocal soloists. Mrs. Lenora Crumrine in choice readings, and Miss Yvonne Ebersole, pianist, all talented artists.

As good a tribute as can be given the performers was expressed by a Columbus lady who was present. "You Lima people ought to be proud, as you are certainly rich in musical talent, and the electionist I heard to night is far above the average, she was simply grand."

## Lima Boy Wed's Charming Muncie Daughter.

The Muncie Star of last Friday contained the following account of the marriage of Chas. H. Kelly, who had from his youth up to four years ago made his home with his grandmother, Mrs. Susan B. Kelly, of 424 east North street. The groom was formerly a member of Company C and is well known and has a host of friends in Lima who will be surprised to learn of his marriage. Since leaving Lima Mr. Kelly has been bookkeeper for the Muncie Gas Engine Works.

"The wedding of Miss Josephine Margaret Long and Mr. Charles H. Kelly which was solemnized Wednesday evening at 8:30 o'clock at the home of the bride's parents, Mr. and Mrs. T. C. Long, 700 West Powers street was celebrated several hours sooner than was expected by their many friends and resulted in the latter being entirely fooled. It was the plan of the young people to keep the date of their wedding a secret, but in some way several friends became aware that Thanksgiving day had been chosen. Mr. and Mrs. Kelly in order to surprise their friends and escape being made the victims of jokes called the Rev. H. N. Wilson Wednesday evening. When the ceremony was being performed there were several of the young men friends of the bride couple outside the house watching to see that no minister went in and that neither of the young people left. All the doors were locked in order to keep a brother of the bride on the inside so he could not inform the watchers. After the ceremony which was in the presence of the immediate relatives only Mr. and Mrs. Kelly went to the newly-furnished home, 401 Jarret St., Riverside. They had to slip out of a back door and go down the alley to avoid being seen. They will be at home to their friends after December 1, at their new residence in Riverside.

## THE STAGE.

Whisper! Nat M. Wills and Broadhurst and Currie's great comedy organization presenting that most pleasing of all operatic stories, "A Son of Rest" comes to us tonight at the Faurot. To those who love to hear sprightly music, see pretty girls in whirlwind finales and to hear keen wit and bright repartee expounded as only Nat M. Wills can, this announcement comes as a pleasure, for no play, or player, has 'made good' to a greater extent than have these.

James M. Martin's three act rural comedy "The Hoosier Girl" will have an engagement of one night at the Faurot on Thursday, December 1. It has made a big hit everywhere and taken an assured place as one of the comedy successes of the age. Certainly there is every reason for its success. The play is novel, cleverly constructed and splendidly acted, and that it is pleasing is shown by the packed and jammed houses at every performance. Special scenery is carried so as to enable the management to reproduce exact views of the scenes of the play in the Hoosier State, Indiana. If you are bothered with financial or domestic troubles, bundle yourself up, take in "The Hoosier Girl" and we will warrant that before the play is one quarter over you will have forgotten them.

The scenes of the great melodramatic production, "The Sign of the Cross" which comes to the Faurot on Friday evening, December 2, swings quickly from a ruined fort without the City of Agra, India, to the lights and shadows of the world's great met-

ropolis, London. With a dash of action, the audience follows the course of the Rajah's treasure from India to England through a chain of remarkable and unusual developments.

The conclusion is even the unusual and the unexpected. The audience sits breathless through the last act of Bruce Lodge, little dreaming of the startling crisis that it is to welcome. The Rajah's treasure, which has cost so many lives for its long hiding is finally revealed in a most unusual guise.

# LIKE A CURSE REMOVED

## Awful skin disease of this woman cured in a few weeks after fifteen years' terrible affliction.

Note the ghastly despair in the photo taken before treatment.

(Case of Mrs. T. M. Daniels of Winchester, Ky.—completely cured by D. D. D. after three applications. She had suffered fifteen years.)

See the same features—but note how different when brightened with hope and happiness, after her freedom from it all. Reader! This is more than medicine talk. It is humanity to enlighten sufferers about this.

The most virulent skin diseases are conquered—every time—in all cases—without any exception—all cleared away in a few weeks—by the brilliantly clever new skin prescription, "D. D. D." Its work is hardly equaled by any other wonders of modern medical practice.

## We guarantee this to be true

Enough has been proven to us—regarding the above case and hundreds of others—to demonstrate beyond all question whatever that any of the terrible forms of skin disease—any eruption or breaking out—must quickly give up and disappear under the influence of this prescription (known as "D. D. D.") Cases of Eczema, Salt Rheum, Ring Worm, Psoriasis, Barber's Itch, Acne, etc. some of twenty years' standing have been cleared off and permanently cured in a few weeks. In several cases from one to five years' hard fighting and then has been no returning sign of the disease. Hundreds of cases cured are the preparation has been placed on the market no sign at all of the previous affliction, and we fully believe they are permanent cures.

Have you been—or do you know anyone who has been—in a living hell of torture with a skin disease? Despair usually seizes those so afflicted. Many imagine it is in the blood and too subtle to cure. Doctors have stood baffled and helpless against Eczema. Half of them think its worse forms are blood poison. Ninety-nine cases out of a hundred of manifestations on the skin are purely local—SKIN disease—not BLOOD disease. Healthy blooded people break out as often as any one, the blood has nothing to do with it in most cases. It is a parasite in the skin that spreads. This prescription is today completely clearing away—quickly too—and permanently curing every trace of such parasitic trouble and leaves the skin soft, healthy and perfect. Call on the above druggists and investigate the unquestionable proofs in their possession.

We not only sell at retail, but also supply druggists at wholesale prices. D. D. D. costs but \$1.00 a bottle and is guaranteed to cure or money refunded.

Gentlemen:—A couple of years ago while experimenting through the South, I found that by spending part of my time in marshy neighborhoods filled with miasma, my entire system was being slowly poisoned. I had chills and fever, ached all over, lost appetite and sleep. The doctors told me that I had malaria, and quinine was prescribed. I took it for two weeks and as I kept getting worse decided to change treatment. I spoke to a friend about my condition. He said that he had some of Dr. Caldwell's (Laxative) Syrup Pepsin that he wished I would try. I used it for three days and felt better, and sent for six bottles and used them while in camp. It acted like magic in driving the poison out of my system, cleansed my blood, restored my appetite, and I am now in perfect health. I keep it on hand and find that an occasional dose keeps me well.

Very truly yours,

# WILL ATTEND TO DO HONOR

To the Memory of an Associate Whose  
Presence Will Be Sadly Missed.

Allen County Bar Association Appoints Com-  
mittees to Arrange for Members to Be Pre-  
sent at Funeral of Judge Mooney.  
Beautiful Tribute by Friend.

A brief session of the Allen county bar association was held this morning at 9 o'clock to take action in regard to the funeral of Judge W. T. Mooney. It was not an occasion for eulogies, the association having decided to hold memorial services Saturday afternoon at 3 o'clock in the Common Pleas court room at which resolutions will be presented, and those desiring to do so given opportunity to pay tribute to one all hold in great honor and respect.

Judge Cunningham presided at the meeting this morning and it was the sense of those present that committee be appointed to look after such matters as needed consideration. A committee on transportation was suggested, and S. S. Wheeler and T. R. Hamilton were named. They will see what rates can be secured and many of the members of the bar, besides others who knew and admired Judge Mooney in life will take advantage of what can be offered by the railroad companies to attend the services in a body Friday morning.

Judge Cunningham, Hon. W. B. Ritchie and H. O. Bently were chosen as a committee on resolutions and they will present their report at the bar meeting Saturday afternoon. The association desired to further pay respects to the memory of the deceased, and named J. J. Weacock, J. W. Halt-hill and J. W. Roby as a committee to select a suitable floral emblem.

The following tribute by David Clark, a personal friend of Judge Mooney's, appeared in last night's St. Marys News:

Peacefully and quietly the hand of death was laid upon Judge William T. Mooney, this morning, and at 10:40 o'clock his spirit answered the final summons and returned to the God

that gave it. There were present in the death chamber when dissolution took place only the members of the family and J. H. Goeke, who had remained faithfully at the bedside of his friend for a week past. For several days it had been apparent that there was no chance for improvement in the condition of the patient and all save himself had abandoned hope. As late as Sunday, however, the deceased had expressed his conviction that he would recover and with this determination he fought bravely for that which was so dear to himself and his loved ones, maintaining through it all the same characteristic courage that has marked his entire course of life. At three o'clock this morning, after a restless night had been spent, he sank into a state of coma from which he never emerged and at the hour above stated, while apparently wrapped in sleep, there were a few short gasps for breath and then the sleep that knows no waking.

In the death of Judge Mooney, St. Marys loses her most distinguished citizen and one who had a place in the heart of every resident of the town. He was loved and respected not only because he was distinguished in his profession and had attained high honor in that direction, but he was loved by those who enjoyed his personal acquaintance because of the warm, noble heart that was always in evidence. He was a man full of love and charity, benevolent to a large degree and without selfishness when the rights of others were to be considered. He gave freely of his able advice and wise counsel to those who sought it and to the poor and needy he was liberal, never failing to help those who needed help nor to respond to a cause when con-

vinced that it was a worthy one. He was attached by the warmest ties of love and devotion to his own family and those nearest to him and while the duties on the bench called him from home much of the time he never forgot the wife and little ones and was ever considerate of them. To Mrs. Mooney and the children, two of whom are yet too young to realize their loss as well as to the father and mother, brothers and sisters the sincerest sympathy goes out. They have sustained a loss which none but themselves can fully appreciate and for which there is no consolation except the conviction that the deceased lived an honorable and up-

right life and died with the blessed assurance of a life eternal. Judge Mooney's death was due to valvular heart trouble, from which he had been a sufferer for seven months past. William Thomas Mooney, son of Mr. and Mrs. Michael J. Mooney, was

THE LATE JUDGE W. T. MOONEY.

became thoroughly prepared in his profession, however, and in 1886 entered the Cincinnati Law School. He was very diligent in his studies and at the close of the school year carried off the honors of the junior class for having attained the highest grades of any member of the class. The year following he graduated from the school and again carried off the honors of his class, an accomplishment that had been equaled by but one other student in the history of the institution. When he came home to enter the practice in May, 1888, Dean Cox paid him the compliment of saying that he was the most thoroughly equipped student that had ever left the school. From the time he began the practice of his profession, his success was assured and his business grew so rapidly that in 1891 he formed a partnership with J. H. Goeke, who was just entering upon his legal career.

In 1892, when Judge Day was nominated for circuit judge, Mr. Mooney was nominated by the democrats to fill the unexpired term on the common pleas bench created by Judge Day's resignation and elected in November of that year. He was chosen by his party for this position without opposition in the convention and it was an honor he prized dearly not only because it carried with it grave responsibilities for a young man of his years, but because it brought to him the opportunity to exercise in full measure the legal attainments he had acquired and of which he was justly proud, as well as the judicial temperament with which nature had so richly endowed him. Although but thirty years of age at that time, his career in the common pleas bench was of the highest order of efficiency and he soon took rank among the best known and most competent jurists of the state sustaining in the highest degree the confidence reposed in him by his party and the people. He was re-elected to the common pleas bench for a full term in 1894 and again in 1899 and the year following he was nominated by the democrats of this district for circuit court judge and elected by an overwhelming majority. This position he held at the time of his death and had he lived and retained his health he would undoubtedly have been re-elected two years hence. During his earlier career as a lawyer, he served the city as its legal advisor and resigned the office of city solicitor when he was elected to the bench. In 1895 he was nominated by the democrats in state convention at Springfield as the candidate for judge of the supreme court but was defeated with the balance of the state ticket in the election. As a campaign orator, he was very able and forceful and his services were regularly in demand and always freely given. In every walk of life during his entire career—from the time he was a boy at school until he was com-

plete in his legal career, he was a man of high character and high ability, and his death is a great loss to the community.
